

Hello everyone,

I am writing to let you know that I am voting for Jim Jamo for Circuit Court Judge and ask you to consider doing the same. He is the only candidate who has practiced law and appears in court on a regular basis. His opponent started running negative ads against him this week that are patently false. I have never seen negative ads in a local judicial campaign and believe they are inappropriate. Jim is endorsed by almost all of the judges in Ingham County as well as the sheriff and prosecuting attorney. He is the only candidate with bipartisan support.

We need Jim's character, demeanor and experience on our local bench.

Thank you for reading this,  
Paula
